County Meeting.

Pursuant to a call of the Standing Committee, a large and respectable meeting of the citizens of Northampton county convened at the Court House in Easton, on Tuesday August 18th, 1840, for the purpose of making arrangements preparatory to the ensuing October and November elections. The meeting was organized by appointing the following officers:

HON. SAMUEL YOHE, PRESIDENT.

JAMES CLENDENIN,

JOSEPH B. JONES,

JACOB ODENWELDER,

JOHN KING, ESQ.

JOSEPH WEAVER, ESQ.

Vice Presidents.

JAMES A. RICE,

REUBEN NOLF,

Secretaries.

The meeting being thus organized, the following committee was appointed to draft resolutions expressive of the sense of the meeting: H. D. Maxwell, P. S. Michler, Anthony Transue, Jacob Dech, William Engle, Jacob Odenwelder, Geo. Barnett, George Knecht, Conrad Royer, Esq. Lawrence Troxell.

The Committee retired, and A. E. Brown was called upon to address the meeting, which he did in a clear and forcible manner.

The committee having returned, presented the following Preamble and Resolutions, which were unanimously adopted.

Whereas, the time is rapidly approaching when we will be called upon to exercise that right, which a Freeman holds most dear, the right of suffrage, in again choosing a Chief Magistrate, to preside over the destinies of this Republic. And whereas it is incumbent upon us, to do so, with an eye single to the welfare, the honor, and the glory of our country.

Therefore, Resolved, That we will not support for the Presidency, Martin Van Buren, because we consider the course he has pursued, since his Election, to be Anti-Republican, and opposed to the best interests of our country.

Resolved, That we oppose his favorite measures "the Sub Treasury," because we consider it fraught with danger to our prosperity, and "the standing Army" because it is a stab at our liberties, and "both" for the plain reason, that we believe them unfit for a free country, and only suited to monarchies of Europe, by the Kings of which, they were recommended to him.

Resolved, That we oppose Martin Van Buren because he is a Politician from interest alone, a Democrat only so long as he could obtain office, but a Federalist, when his country called her sons to arms, and his coward heart would not let him rally in her defence, but frightened him into the ranks of the Federalists of 1812, to the support of Clinton, and to oppose James Madison.

Resolved, That we will support for the highest office in the nation's gift the oft honored and war worn patriot of the West, Gen. W. H. Harrison, the greatest part of whose life has been devoted to the honor and profit of his country.

Resolved, That we wish, and we ask no better pledge of his future conduct, if elected, than we can obtain from his past life and actions, and we would refer his puny slanderers to the testimony of Col Johnson, who said the History of the West, is the history of Gen. Harrison, he has for 40 years been identified with its interests, its perils, and its hopes.

Resolved, That the paltry attempts of designing politicians, to cast upon Gen. Harrison, the stigma of Federalism, can have no effect upon us, when we consider the source from which it comes, that of an amalgamated mass of Loco Foco orators, who have been themselves warm and bitter Federalists and done like their master, all they could to oppose the cause of Democracy.

Resolved, That we wish no better proof of his Democracy than the fact, that he was twice appointed to office by Thomas Jefferson, and three times by James Madison.

Resolved, That we are opposed to Martin Van Buren, because he in the convention of New York, to reform the constitution, voted for a Property qualification for voters, which would have deprived the poor man of a right to vote, and he also voted to give to negroes the right to vote, provided they possessed the amount of property required, thus placing the negro above the poor white man.

Resolved, That we will support no person for Congress unless he is opposed to Martin Van Buren and his intended new national Tax.

Resolved, That we will support no man for the State Senate, or Legislature unless he is opposed to the course of the party in power who are ruining our state, by increasing our Debt, and imposing upon us a heavy and unjust Tax.

Resolved, That our sister counties of Monroe, Pike and Wayne be requested to appoint conferees to meet conferees to be appointed by our delegates at the house of Samuel Straub in Bath, on the 22d day of September next, to nominate a suitable person to represent this Congressional District, in the Congress of the United States.

Resolved, That our Sister County of Lehigh be requested to appoint conferees to meet conferees to be appointed by our delegates, at the same place as mentioned in the foregoing resolution, to nominate a Senator to represent this Senatorial District in the Senate of Pennsylvania.

Resolved, That the Delegates to be chosen at the coming Delegate elections meet at the Inn of Samuel Straub in Bath, on Tuesday the 22d day of September next.

Resolved, That the proceedings of this meeting be published in the Northampton Whig, Lehigh Patriot, Harrisonian of Lehigh, Wayne County Free Press, Jeffersonian Republican of Monroe and Pike Counties.

An amusing anecdote is related of the loco loco candidate for congress in the second district. At a public meeting some days ago, he addressed the people, and in the course of his remarks denied with great vehemence the existence of "hard times," declaring it to be a whig fabrication, &c. Whereupon, an honest citizen, who had been listening with great attention, rose and addressing himself to the speaker, said, "Sir, since you deny positively that the times are not hard, I trust you will pay me the thousand dollars you have owed me so long." I have frequently demanded it, but your constant plea has been "hard times," "hard times." The assembly was convulsed with laughter, and General D. forgot for the moment all his dignity, and looked very particularly foolish.—N. O. Bee.

AN AMERICAN SUMMER.

The Weather and its effects.—One day we have 90 degrees of heat in the shade; the next 50. Thus, one day the perspiration is streaming from every pore; the next day all are nearly closed. Even those who have a healthy disposition of body, are subject to sickness under these circumstances.—Therefore to prevent any danger, we ought carefully to guard against a COSSIVE STATE OF OUR BOWELS. Once or twice they must be evacuated in 24 hours. If this is not effected naturally, medicine must be resorted to—BRANDRETH'S PILLS must be taken: then there will be no danger. Do not think that EVEN A DAILY use of these Pills will weaken or debilitate! They do not. On the contrary, the functions of the stomach are restored, the bowels cleansed and strengthened; the appetite and digestion improved. And common sense tells us we are better able to withstand continued heat, or sudden changes than we should be, were we oppressed by a load of impure humors in the blood, always the occasion of every variety of disorder. Often a sudden dysentery occurs. Should there be a cause for this, and it does not take place, then, the blood is made the receiver of those humors, which should have been discharged by the bowels. Under these circumstances, which may be known by EXCEEDING DROWSINESS, and great fatigue on the least exertion, vegetable purging must be immediately and energetically practised, or these humors form a lining or deposit in the blood vessels which may produce epilepsy, apoplexy, consumption, &c. &c. It must be, however, borne in mind that even in dysentery and disorders of the bowels, that BRANDRETH'S PILLS are indispensable. They remove those peccant humors which produce these affections, before they have time to produce gangrene or any other fatal effect.

Sometimes the blood is so loaded with humors that it becomes in a fermentation, being that state of the body called fever, which is nothing more than an effort of nature to throw off all offending matters. This is, in fact, a call upon Reason, to assist the natural functions with purging medicine, which, if properly answered, will soon evacuate these foul humors, and restore the body to a state of perfect health.

It is at all times easier to prevent than to cure disease, because by taking a preventive course we do not debilitate the natural functions of the body, but rather strengthen and assist them. The peculiar action of

Brandreth's Vegetable Universal Pills, is to cleanse the blood from all impurities, remove every cause of pain or weakness, and

PRESERVE THE CONSTITUTION

in such a state of health and vigor so that casual changes cannot effect it.

DR. BRANDRETH'S Principal Office for the sale of his Pills, is 241, Broadway, opposite the Park, New-York.

Philadelphia Office is No. 8, North Eighth street.

PROSPECTUS OF THE

Jeffersonian Republican, A new Weekly Paper, to be published at Stroudsburg, Monroe County, Pa., and Milford, Pike County, Pa., simultaneously.

The whole art of Government consists in the art of being honest.—Jefferson.

THE JEFFERSONIAN REPUBLICAN

in principle, will be a "title purports, the firm and unwavering advocate of the principles and doctrines of the democratic party, delineated by the illustrious JEFFERSON: the right of the people to think, to speak, and to act, independently, on all subjects, holding themselves responsible to no power for the free exercise of this right, but their God, their Country, and their Laws, which they themselves have created." A free and untrammelled Press, conducted in a spirit worthy of our institutions, is a public blessing, a safeguard to the Constitution under which we live, and it should be cherished and supported by every true republican. Such, then, it is designed to make the paper now established, and as such, the publisher calls upon the enlightened citizens of Monroe and Pike to aid him in this laudable enterprise. The time has arrived when the Press should take a bold and fearless stand against the evidently increasing moral and political degeneracy of the day, and endeavor, by a fair, candid, and honorable course, to remove those barriers which sectional prejudices, party spirit, and party animosity have reared to mar the social relations of men without accomplishing any paramount good.

THE JEFFERSONIAN REPUBLICAN will not seek to lead or follow any faction, or to advocate and support the schemes of any particular set of men. It will speak independently on all State and National questions, awarding to each that support which its merits may demand, never hesitating, however, to condemn such measures, as in the opinion of the editor is justly warranted, holding as a first principle: "The greatest good to the greatest number."

Believing that the great principles of democracy are disregarded by the present Chief Magistrate of the Nation, MARTIN VAN BUREN, the JEFFERSONIAN REPUBLICAN, will decidedly, but honorably oppose his re-election to the high and responsible station which he now holds.

It will firmly oppose the "Independent Treasury" Scheme, and all other schemes having for their object the concentration in the hands of one man, and that man the President of the Nation, all power over the public moneys, a power, which, when combined with that vested in him by the Constitution as Commander-in-Chief of the American forces, Military and Naval, together with an enormous official patronage, would render him more powerful than the Executive of the British Nation, and in short make our Government, de facto an Elective Monarchy.

It will ever maintain that the welfare of our Country and the preservation of her Republican Institutions should be the first and only sentiments of our hearts in the choice of our public servants; that honesty, fidelity, and capability, are the only true tests of merit; that all men are created equal, and, therefore, should alike enjoy the privileges conferred on them by the Constitution without being subject to proscription, or coerced by the influence of party.

The columns of the JEFFERSONIAN REPUBLICAN will ever be open to the free discussion of all political questions, believing as we do, that there is no liberty where both sides may not be heard, and where one portion of freemen are denied the privilege of declaring their sentiments through the medium of the Press, because they differ from the majority.

The JEFFERSONIAN REPUBLICAN will ever take a lively interest in the affairs of Monroe and Pike, and of the Senatorial and Congressional Districts with which they are connected.

The Farmer, the Merchant, the Mechanic, and the Laborer, will each find a friend in the columns of the JEFFERSONIAN REPUBLICAN. Due care will be taken to furnish its readers with the latest Foreign and Domestic News, and such Miscellaneous reading as will be both interesting and instructive. In short it is designed to make the paper worthy of an extensive patronage, both from the strictly moral tone which it will ever possess, and the efforts of the editor to make it a good and useful Family Newspaper.

The JEFFERSONIAN REPUBLICAN will be printed on a super-royal sheet of good quality, and with good type.

TERMS—\$2 in advance; \$2.25 at the end of six months, and \$2.50 if not paid before the expiration of the year. No subscription taken for a less term than six months.
